

BL4S 2025 shortlist

This year 50 teams were selected to be part of the shortlist. Out of them, five won this year edition. Two teams will be invited to **CERN**, two to **DESY**, and one to **ELSA** in Bonn, in September to perform their experiments. All the others will receive special prizes including BL4S T-shirts and a do-it-yourself kit to build their own particle detector.
